

## MT KILIMANJARO SEARCH AND RESCUE

---

### SAFETY #1

In case of emergency on the mountain we are fully registered with Kilimanjaro Search and Rescue. They provide a first class emergency medical service to ensure your safety while hiking Mount Kilimanjaro with helicopters that can be deployed within 5 minutes. They ensure a quick response and guarantee your safety regardless the season.

Their helicopter will pick you up from the designated area on the mountain, where their medical team will immediately start an in flight medical treatment. Upon landing at Moshi Airstrip there will be transport, to take you to a place of local residence. If so necessary for further medical attention upon landing, you will be taken to their modern private High Altitude Medical clinic ideal for Acute Mountain Sickness (AMS). Kilimanjaro SAR accepts insurance with Evacuation coverage up to 6,000 meters above Sea Level. Please be aware that coverage and eligibility requirements for this benefit differ by policy.

Kilimanjaro SAR operates 24 hours a day, 365 days a year.
